

CAPABILITY STATEMENT

GJB and Associates
Mana Ka 'Ike Bruce 'Ohana Foundation
A Native Hawaiian Owned Company

Business Summary

GJB & Associates, a subsidiary of the Mana Ka 'Ike Bruce 'Ohana Foundation, brings over 50 years of expertise in Information Technology Project Services to small and medium-sized businesses. Our specialization extends to Electronic Security System design and installation services, catering to the DOD sector, private entities, and government and educational institutions. As a certified CMMC Registered Practitioner Organization, we excel in guiding DoD contractors through compliance with DFARS 7012, 7019, 7020, and 7021 federal contract requirements.

Our comprehensive offerings include Networking, Staffing, and Construction services. With a seasoned team and robust partnerships, we deliver tailored solutions for our clients, ensuring unmatched quality and compliance.

Mission

At our core we specialize in seamless People, Process, and Technology Integration. GJB & Associate's mission is to collaboratively design, build, and implement tailored solutions that precisely align with our clients' objectives. We diligently assess opportunities and vulnerabilities, ensuring that our customized solutions encompass the most qualified providers and advanced technologies. We are committed to excellence and are dedicated to empowering our clients' success through strategic integration and unparalleled service.
